(g) To provide printed passes for the export of the bark under his signature for each cart-load in such form as may be prescribed by the District Forest Officer.

(h) To prevent the occurrence of fires in forests in which he may be working and to render prompt assistance in extinguishing such fires as may break out accidentally.

(i) To remove out of the district limits before the 31st July 1919 all bark collected and stored under the terms of this lease.

13. In the event of the breach of any of the above conditions, the security amount will be liable to forfeiture in whole or part at the discretion of the Deputy Commissioner.

M. MACHAIYA,
District Forest Officer.

ENGINEERING DEPARTMENT.

OFFICE OF THE CHIEF ENGINEER.

Notice dated 6th April 1918.

The Chief Engineer of Mysore, while in Bangalore and not specially engaged, will be glad to hear petitioners on every Thursday, if it is not a Gazetted holiday, between 12 noon and 3 P.M.

2. Government officers and other gentlemen having business may call at the Chief Engineer's Office between 3 and 5 P.M., the same day.

3. During the absence of the Chief Engineer on tour from headquarters, or while he is otherwise engaged, the Deputy Chief Engineer will receive visitors and attend to them.

S. CADAMBI,
Chief Engineer of Mysore.

WATER-SUPPLY DIVISION.

Abstract Notification dated 22nd July 1918.

Attention of the public is invited to the detailed notification calling for tenders for "Constructing protective works to No. 3 weir of Hessarghatta Tank," published in the *Mysore Gazette* No. 31, dated 1st August 1918, page 695.

M. K. NARASIMHA IYER,
For *Executive Engineer.*

KRISHNARAJASAGARA WORKS.

The attention of the public is invited to the notification published on the page 696 of Part IV of *Mysore Gazette*, dated 1st August 1918, regarding the public auction of one 40 H.P. Oil Engine in the premises of the General Stores at Krishnarajasagara.

B. B. GARUDACHARYA,
Superintending Engineer.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Dated 5th August 1918.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer to the Government of Mysore, up to 5th September 1918, for constructing a Central Stores Building, near the Railway Goods Shed. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1919.

2. The plans, detailed estimate and conditions may be seen at the Chief Electrical Engineer's Office at Bangalore, between the hours of 11 A.M. and 4 P.M., on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees five hundred in cash or Government Promisory Notes, as earnest money, and be superscribed "Tender for constructing a Central Stores Building," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Secretary to Government, Public Works Department, who does not bind himself to accept the lowest or any tender or to assign any reason whatever, for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
